P.C.1655 File No.38[illegible]

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1918.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1918, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 12 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1918, P.C. 443; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,850.03 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

This Department has an old account against the above-described land for advances of relief. Repeated demands for payment have been made in the past and we are anxious to bring our records up-to-date and if possible close this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

Dear Sir:

Re: S.W. 3-62-13-W.4th.

This Department has an old account against the above noted land for advances of relief to Raymond L. White in 1917.

As we believe that this is Crown land, we should like to be advised of its present standing and whether it is likely ever to be used again for farming purposes.

Yours very truly,

C.K. LeCapelain,

PRIVY COUNCIL CANADA

INTERIOR. MAY 14 1917 DOMINION LANDS BRANCH.

COPIED FOR PRINTER. MAY 8 19 D. & A. ... JC

The Committee of the Privy Council have had before them a report, dated 27th April, 1917, from the Minister of the Interior, stating that Mr. Allan Edward McDonald obtained homestead entry for the South West Quarter of Section 4, Township 79, Range 5, west of the 6th Meridian on the 7th June, 1915.

The Minister further states that a Medical Certificate furnished by Doctors Wm. Gibson and W. T. Connell of Kingston, Ontario, dated 12th March, 1917, sets out that Mr. McDonald is suffering from General Paresis, a condition that will prevent his return to Spirit River, Alberta, to undertake the further occupation and development of his homestead situated at that place.

Another Medical certificate furnished by Doctor Shaw of Spirit River, Alberta, dated 10th January, 1917, sets out that Mr. McDonald is suffering from Paranoia.

A letter from Mr. Roderick McDonald, the entrant's father, dated 31st March, 1917, assures the Department of the Interior that his son had, to the best of his knowledge, resided on the homestead for eight months and had nearly completed the other duties. He is a Veteran of the South African war and volunteered for service

The Honourable
The Minister of the Interior.

Published in the Canada Gazette of Vol. ... for the four ... weeks.

at the outbreak of the present war but was rejected as medically unfit. The necessary work will be completed on the homestead this fall.

The Minister recommends, in view of the foregoing, that, under the provisions of Sub-section 2 of Section 20, of the Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to him upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled. Mr. McDonald is a British subject.

The Committee,concur in the foregoing recommendation and submit the same for approval.

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1928.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1928, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 188 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1920, P.C. 543; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,550.63 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.
